VOSSEN LUG BOLTS

Anti-Scratch Washer
Integrated anti-scratch washer preserves wheel finish while improving torque accuracy.

GRADE 10.9
Hardened Alloy Steel

LUG BOLTS

Vossen Wheel Lug Bolts are strictly manufactured from Grade 10.9 hardened alloy steel and tested to ensure the safest and highest performing fasteners for aftermarket wheels. Vossen Wheel Lug Bolts are for conical 60° lug seats only and are meant to be used with the vehicle's thread engagement standards.

LUG BOLT LOCKS

Vossen Wheel Lug Bolt Locks provide an additional level of security with various unique key designs while maintaining the styling and design quality of Vossen's standard lug bolts. Like all Vossen lug bolts and nuts, the locks include an anti-scratch washer that helps preserve the wheel finish while improving torque accuracy.

VOSSEN WHEEL CARE

Vossen and Adam's Polishes have joined forces to create a specially formulated cleaner & detailer for all Vossen Wheels. Adam's Polishes' extensive background in car care chemistry perfectly complements the quality and precision that defines the Vossen Wheels brand.

Vossen Wheel Cleaner & Detailer are the only cleaning products tested and approved to be safe on all Vossen finishes. The use of other untested cleaners and detergents will void Vossen's 5-Year Workmanship & Finishing Warranty.
